

Dear Parents, families, and St. Stan's supporters,

Our current COVID environment has brought about many changes, and I am so proud of how the St. Stanislaus community has responded to all of them, and found new ways to come together to support our children, each other, and our school.

As so many of you know, one of our treasured traditions is our weekly BINGO gathering. We loved it because it was so enjoyable to come together, have some fun and maybe even win something every once in a while. For me however, probably most importantly, it was a critical source of funds for some of our most pressing school needs – such as technology, sanitizing supplies, and various educational materials to assist in keeping with COVID protocols.

While we still can't gather together at this time, we are determined to bring back some of the fun, and some of the funds, so we have decided to partner with "**Golden Hearts BINGO**" to bring back the excitement, and the community, of our BINGO games! You can play on whatever device you have...a phone, a tablet or a desktop...and each time you play, you will be supporting the St Stanislaus community.

The best part of playing BINGO with Golden Hearts, besides that you can play the games anytime or anywhere, is that when you win a cash prize....it's just that! A cash prize...you keep the cash prize winnings!

How does this work? Well, it's easy. We promise. Here's all you need to do:

Visit our St. Stan's School link . <https://www.goldenheartsbingo.com/charity/25548790>

Create or log in to your account.

Use any computer, tablet or mobile device to play games and win prizes and real cash payouts. 24/7!

When you win, you keep all your cash and prizes. All winnings are all yours, always!

No purchase or donation is necessary to enter or win Golden Hearts Gaming promotional games and platforms.

See our [Official Rules](#) for details.

All donations go to the [Givinga Foundation](#),

a U.S. 501(c)(3) public charity, which then makes grants to each individual donor's desired charity.

Donations may be tax-deductible to U.S. residents.

We invite you to join in on the fun, and just know that you will also be helping our school, and our entire school community, with every board you play. So, sign up now! Do it "B-4" you do anything else....

With gratitude for your continued support,

Sister Ceil
